

Minor Events Description

1. **FOCUS**

Under Focus, we will be displaying framed photographs and designs collected from the members of our club along with creators' names in a galleria. It provides an ideal opportunity for newcomers who have just started exploring the fields as well as for seasoned professionals who have honed their talents, to showcase some of their best work to everyone passionate about the art. Focus puts a spotlight on the esteemed and versatile field of digital arts all over the world. Such enthusiasts and aficionados of this field will come to see the glimpse of what we create. It promotes the art form and inspires as well as encourages young artists to be out there and be bold with their art.

Date: 14th October 2022 to 16th October 2022

Time: 10:00 AM to 5:00 PM

Venue: Old Mess

2. **ONE SHOT**

In this workshop, we will introduce and explain the domains of photography, and explain to participants how to adjust to real life settings and scenarios by teaching the dynamics of the exposure triangle, and how to get good angles as well. Also teaching them post-production, the colour grading, masking and optimising captured images using Software such as Adobe Lightroom CC on PC as well as on mobile devices. Our goal is to provide a same platform for both camera and phone users.

Date: 15th October 2022

Time: 3:00 PM to 5:00 PM

Venue: AB1 312

3. **SCAPE G.O.A.T.**

Escape Room is a game where a group of friends get locked into a space to play some puzzles or mysteries, stimulate their minds to solve them. They'll get a time limit of 10-15 minutes in which they will have to cleverly use their wits to quickly search for clues and reach the final destination, thereby winning the game within the limited duration. The teams which succeed in doing this will be rewarded with goodies from our end.

Date: 14th October 2022- 16th October 2022

Time: 10:00 AM - 5:00 PM

Venue: AB1 018

4. **PIC' ME**

Under the Photobooth "Pic Me", we will be clicking and printing pictures of people attending Oneiros. Photography will consist of both digital and polaroid, and many props will also be available to liven up the photo and create lasting memories. As a one-of-a-kind event, we

hope to attract a lot of footfalls. This booth will also help in promoting the event at a big scale as people will be sharing the pictures on social media. We want to make sure the participants enjoy their time and want to revisit next year.

Date: 14th October 2022- 16th October 2022

Time: 10:00 AM - 5:00 PM

Venue: Old Mess

5. **POSTER PORTAL**

Poster Portal is a Design Booth in which participants will be given an option of stating a prompt to A.I or of choosing a poster from Pinterest or various sites of their choice. After which Aperture would curate the posters with some eccentric designs along with some minimal editing and give out the result in the form of a printed poster. Another side to this will be selling premade set of posters belonging to specific genres like TV Shows, Movies, etc which are generally popular amongst students and are high in demand.

Date: 14th October 2022- 16th October 2022

Time: 3:00 PM - 5:00 PM

Venue: AB2 Lobby
